

Physical therapy at home, covered by Medicare

A licensed physical therapist comes to your home for outpatient therapy. Covered by Medicare Part B and supplement plans.

Most residents pay \$0 with Medicare and a supplement

No transport or clinic trips to coordinate

HOW IT WORKS

From your request to physical therapy at home

1 Request a home visit

Pick your physical therapist and tell us how to reach you.

2 We verify your coverage

We handle insurance verification and copays, and a PT reaches out to schedule.

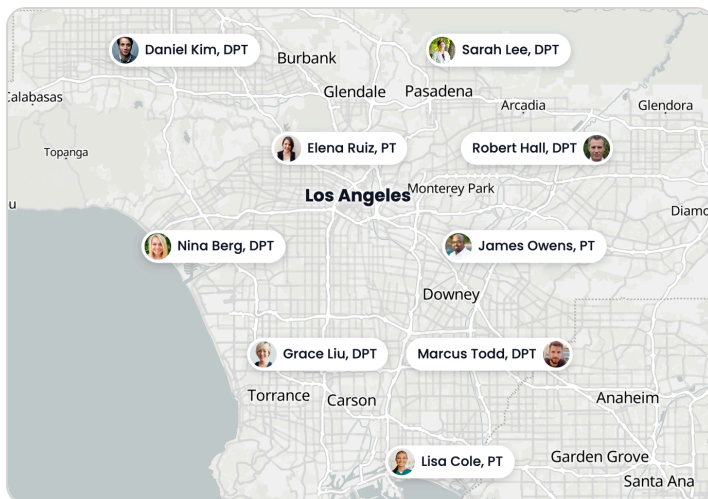

3 Your PT comes to you

In-home evaluations and follow-ups with a licensed physical therapist.
